

ACCEPTANCE TESTING DOCUMENT

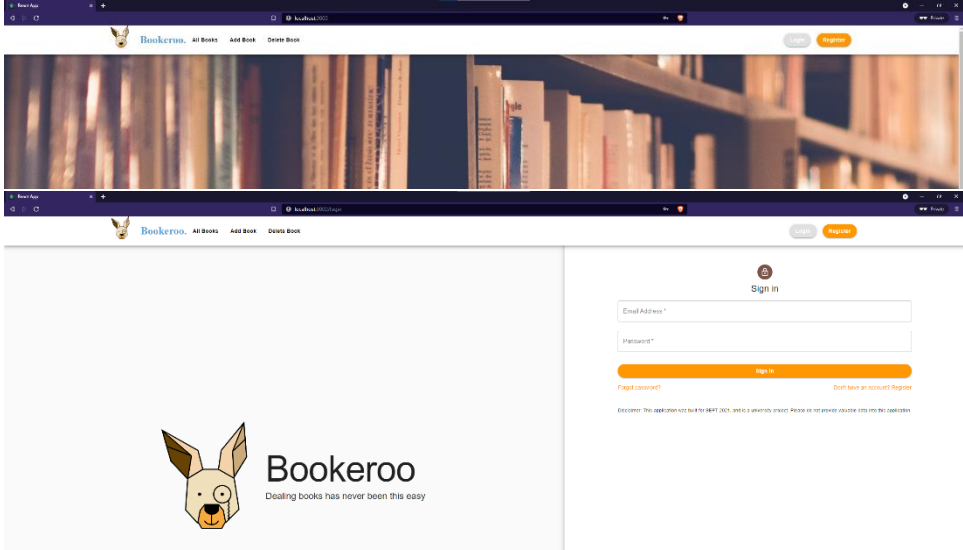

User Story #53

As a registered user, I wish to be able log in to my account so I can browse as a logged in user

Given that a user is not logged in, when they visit the homepage of the website, then click the log in button will give them an option to log in

Given that a user is trying to log in, when they log in with incorrect credentials then they are denied

Given that a user is trying to log in, when they log in with correct credentials then they are accepted and sent to the books page as a logged in user

Test Case	Browser: Brave
	Date/Time: 16/09/21 7:44 PM
	Tester: Matthew Woolley
	Test 1: navigating to log in
	
	Test 2: failed login due to no user in system
