

# ACCEPTANCE TESTING DOCUMENT

## User Story #8

**As an unregistered user, I want to see the homepage as I visit the website, so that I can browse the books**

*Given that a user isn't logged in, when they visit the homepage of the website, then they are displayed a selection of current books*

Test Case	Browser: Brave
	Date/Time: 16/09/21 7:44 PM
	Tester: Matthew Woolley
	Actual Result: when loading the website, the homepage is displayed, along with some of the books
	
	Bugs Found: N/A
